July 22, 2019

Dear Environmental Health Professional:

The Gulf Coast Chapter of the Texas Environmental Health Association is hosting an educational conference at the Tracy Gee Community Center in Houston, TX 77042 on August 29, 2019. This conference is a valuable resource for you to keep abreast of current issues, trends, and requirements and provides another opportunity for you to obtain continuing education credits required to renew your Sanitarian's or Code Enforcement license. Up to six continuing education hours are available for environmental health professionals including Registered Sanitarians and Code Enforcement Officers. There is a nominal \$45.00 pre-registration fee (\$95.00 for non-members) or \$50.00 and \$100.00 for on-site registration for this conference.

You may register online at [http://www.myteha.org/Gulf Coast Chapter Meetings](http://www.myteha.org/Gulf_Coast_Chapter_Meetings). If you choose to pre-register, please complete and return the attached form before August 23, 2019. Your registration covers lunch, refreshments and other conference materials. The conference is open to all sanitarians, code enforcement officers, inspectors, and other interested parties regardless of membership status in TEHA. Please bring your membership card. You can print it from the website <http://myteha.org>. Go to "My Account", type in your email address and password. If you don't remember it contact Jodie Halter through the site, and she can send a reminder.

I am hopeful that you will be able to attend all or part of the day's sessions. Registration begins at 8:00 AM with door prize drawings throughout the day. The first session begins at 8:30 AM. A complete agenda for the meeting and registration form are attached.

Should you have any questions or require additional information, please do not hesitate to contact me at 281-275-2278 or by direct email: [cabiola@sugarlandtx.gov](mailto:cabiola@sugarlandtx.gov)

Thank you,

Caryn A. Abiola, R.S.,CP-FS, Chapter President
