Signature of Applicant _____ Date _____

EVERYONE MUST FILL OUT A NEW APPLICATION PLEASE!

President's Donors Choice

Esteemed TEHA Members,

The TEHA-STC Board is excited to plan to celebrate our 16th Annual TEHA-STC Educational Conference at the beautiful Isla Grand on sunny South Padre Island on December 4th, 5th & 6th, 2019. We plan to have lots of prizes, and raffle items. Many memories will be made just a week and a half after Thanksgiving and three weeks before Christmas. It is always amazing to see so many TEHA members of different communities come together and have a blast, while obtaining their state required continuing education units. The idea of networking with others in the same field was extremely evident this year. This is going to be one for the books and I guarantee you don't want to miss this one!!!

We have been very fortunate to have such great success with our trainings and conferences. Last year we decided to start a tradition to solicit Christmas Toys that would be delivered to the Children's Hospital by the TEHA-STC Board.

Furthermore, we also began the "TEHA-TSC President Giveback" a year ago where the TEHA-STC past President choose a nonprofit organization to invite to the conference each December. As a result, TEHA-STC past President Edgar Cruz chose "Be the Match" that he has been a part of for many years. His goddaughter, Lily Lopez, was a recipient of this wonderful nonprofit. Although she past away, the studies she voluntarily agreed to have on her will benefit many future patients, that will be able to enjoy their lives because of her noble efforts. More information on Lily Lopez may be found at <http://www.prweb.com/releases/2015/11/prweb13065928.htm> He also wants to thank everyone that signed up for the "Be The Match: The National Marrow Donor Program" (www.bethematch.org), a nonprofit organization that's dedicated to helping every patient get the life-saving transplant they need.

Please contact me if you would like information on the J. Victor Baldovinos Scholarship which covers the Conference Registration, or if you are interested in being a speaker. As an added bonus, you will get free CEUs for the day you speak.

Thank you all for your hard work and dedication to our profession!

Edgar Cruz
